

# DURAPRIDE® STOCK TANKS

## MORE THAN A STOCK ANSWER TO WATERING PROBLEMS

USA Patent Numbers D354, 377 and 5,406,909

**Model PRE224: 95 Gallons**

**Model PRE214: 50 Gallons**

This tank was frozen at -40° F (-4° C). The "ice cube" popped out of our tapered tank and there was no sidewall cracking and chipping.

**Model PR62: 400 Gallons**

Models with factory installed Small Animal Drinker, SAND10. SAND10 can be installed on Models PRE224, PRE226 and PR62.
